

## Emerging Technologies in Energy Efficiency – Summit 2004

**Thursday, October 14, 2004  
Morning Program**

	8:00	8:30 - 10:00	10:00- 10:30	10:30 - 12:00
<b>Welcome and Opening Plenary</b>	<b>Registration</b>	<b>Location</b>	<b>Break</b>	
Regional Policymaker Perspectives on Emerging Technologies		<b>Elan Conference Center</b>		
<b>Plenary Session II</b>		<b>Location</b>		
Success Stories from a Decade of Emerging Technology Efforts		<b>Elan Conference Center</b>		

### Lunch

**12:00 to 1:00 pm at Pacific Energy Center**

**Thursday, October 14, 2004  
Afternoon Program**

	1:00 - 2:30	2:30- 3:00	3:00 - 4:30
<b>Working Session I</b>	<b>Location</b>	<b>Break</b>	
Technology Track 1: Advanced Air Conditioning Systems	<b>PEC Conference Center</b>		
Technology Track 2: New Opportunities for Building Envelopes	<b>PEC Lighting Classroom</b>		
Policy and Process Track: Private Funding for Emerging Energy Efficiency Technologies -- The Time is Now	<b>PEC Green Room</b>		
Tactics Track: Beyond the Widget -- Emerging Energy-Efficient Practices	<b>PEC HVAC Classroom</b>		
<b>Working Session II</b>			<b>Location</b>
Technology Track 1: Tap(p)ing Ducts for Efficiency			<b>PEC Conference Center</b>
Technology Track 2: House of the Future -- More Power or More Control (Consumer Electronics and IT)			<b>PEC Lighting Classroom</b>
Policy and Process Track: Operationalizing ET: Approaches in Different Regions		<b>PEC Green Room</b>	
Tactics Track: LEED and ENERGY STAR -- Drivers for Emerging Technology Adoption		<b>PEC HVAC Classroom</b>	

**Emerging Technologies Showcase and Cocktail Reception: 5:00 to 8:00 pm Elan Conference Center**

back to ET Announcement

**Emerging Technologies in Energy Efficiency –  
Summit 2004**

**Friday, October 15, 2004  
Morning Program**

	8:30 - 10:00	10:00-10:30	10:30 - 12:00
<b>Plenary Session III</b>	<b>Location</b>	<b>Break</b>	
Emerging Technologies: Feeding the Pipeline for Effective Efficiency and Demand Reduction Programs	<b>Elan Conference Center</b>		
<b>Working Session III</b>			<b>Location</b>
Technology Track 1: The Prognosis for Automated Diagnostics			<b>PEC Conference Center</b>
Technology Track 2: Daylighting -- Distribution and Control			<b>PEC Lighting Classroom</b>
Technology Track 3: ET for Industrial and Process Energy Efficiency: Challenges & Case Studies			<b>Elan Conference Center</b>
Policy and Process Track: Incorporating ET in Long-Term Resource Plans -- Experiences from the Front			<b>PEC Green Room</b>
Tactics Track: Promoting Emerging Technology for Specific Markets -- The Case of Residential New Construction		<b>PEC HVAC Classroom</b>	

**Lunch and Keynote Address**  
**12:00 to 1:30 pm at Elan Conference Center**  
**Joseph Desmond, Deputy Secretary of Energy, California Resources Agency**

**Friday, October 15, 2004  
Afternoon Program**

	1:30 - 3:00	3:00
<b>Working Session IV</b>	<b>Location</b>	<b>Conference Adjourns</b>
Technology Track 1: Domestic Water Heating and Hot Water Distribution	<b>PEC Conference Center</b>	
Technology Track 2: Exciting New Lighting Technologies	<b>PEC Lighting Classroom</b>	
Policy and Process Track: Roles and Linkages of Players in Emerging Technologies	<b>PEC Green Room</b>	
Tactics Track: Lessons Learned from ET Successes and Failures -- What's Worked, What Hasn't	<b>PEC HVAC Classroom</b>
