10:00 am to 11:45 am	Plenary Panel 1	Vista Ballroom

National Overview: Latest News on Energy Efficiency as a Resource in Key Regions of the Country

Speakers: New England: **Jim O'Reilly**, Northeast Energy Efficiency Partnerships
Midwest: **Stacey Paradis**, Midwest Energy Efficiency Alliance
Northwest: **Susan Stratton**, Northwest Energy Efficiency Alliance
California: **Margie Gardner**, California Energy Efficiency Industry Council
Southcentral: **Doug Lewin**, Southcentral Partnership for Energy Efficiency as a Resource
Southwest: **Maureen Quaid**, Southwest Energy Efficiency Project
Southeast: **Mandy Mahoney**, Southeast Energy Efficiency Alliance

Moderator: **Steve Nadel**, American Council for an Energy-Efficient Economy

12:00 pm to 1:00 pm	Lunch	Vista Ballroom
---------------------	-------	----------------

Exemplary Awards Presentation

Speaker: **Dan York**, American Council for an Energy-Efficient Economy

1:30 pm to 3:15 pm**Breakout Sessions 1**[Vista Ballroom AB](#)**Session 1A: Next Generation Residential Energy Efficiency Programs**

- Presenters: **Seth Bauer**, TopTen USA
Has Your Residential Program Moved You to Tiers?
- Chris Calwell**, Ecova
LEDs: Ready for Liftoff?
- Mitchell Rosenberg**, DNV KEMA Energy & Sustainability
The Resource Value of Whole House Retrofit and Home Performance Programs
- Seth Craig-Snell**, Applied Proactive
Where are We Headed? A Road Map for Efficient Products Promotion
- Moderator: **George Malek**, Commonwealth Edison

[Vista Ballroom CD](#)**Session 1B: Energy Efficiency and Environmental Objectives**

- Presenters: **Sara Hayes**, American Council for an Energy-Efficient Economy
Energy Efficiency: A Resource for Meeting Air Quality Goals While Keeping the Lights On
- Ken Colburn**, Regulatory Assistance Project
Integrated, Multi-Pollutant Planning for Energy and Air Quality (IMPEAQ)
- Nancy Lange**, Minnesota Public Utilities Commission
Beyond Carrots and Sticks: Potential New Drivers for Energy Efficiency Resources
- Kenji Takahashi**, Synapse Energy Economics
TVA Coal in Crisis: Using Energy Efficiency to Replace TVA's Highly Non-Economic Coal Power Plants
- Moderator: **Bill Prindle**, ICF International

[Hillsboro Ballroom 2,3](#)**Session 1C: Energy Efficiency as a Big Resource**

- Presenters: **Danielle Gidding and Ehud Ben Abadi**, Bonneville Power Administration
The Efficient Frontier: Integrating Energy Efficiency into Resource Planning in the Pacific Northwest
- Eric Winkler**, ISO New England
Independent System Operator Planning: Forecasting Energy-Efficiency
- Jennifer Edwards**, Center for Energy and Environment
Counting the Capacity that Didn't Hatch: The Rate Mitigation Effect of DSM Programs
- Ellen Zuckerman**, Southwest Energy Efficiency Project
An Interesting Twist: Using Energy Efficiency in Resource Plans to Argue for Increased Energy Efficiency Investment
- Moderator: **Deb Sundin**, Xcel Energy

[Midtown](#)Session 1D: **Evaluation Issues and Examples**

- Presenters: **Michael Li**, U.S. Department of Energy
A New Paradigm for EM&V Will Help Us Cut Energy Waste in Half
- Laura Schauer**, Tetra Tech
The Carrot and the Evaluator: How Financial Incentives Have Affected EM&V Practices
- Lauren Gage**, Bonneville Power Administration
Show Me the Savings! Efficiently Measuring a Reliable Resource for the Skeptics and the Accountants
- Jolyn Newton**, DNV KEMA Energy & Sustainability
Energy Efficiency Evaluation in the Southeast States
- Moderator: **Carol White**, National Grid

[Hillsboro Ballroom 1](#)Session 1E: **Future of Natural Gas Energy Efficiency**

- Presenters: **Elizabeth Noll**, American Gas Association
What's Next for Natural Gas Energy Efficiency Programs?
- Ian Hoffman**, Lawrence Berkeley National Laboratory
Challenges and Options for Natural Gas Energy Efficiency Programs in a Low-Price Context
- Ryan Kerr**, Gas Technology Institute
Nicor Gas Emerging Technology Program: Creating Opportunities in the Face of Challenges
- Tracy Scott**, Lockheed Martin
Natural Gas Energy Efficiency in the Multifamily Market
- Moderator: **Shawn White**, Xcel Energy

3:15 pm to 3:45 pm

Break

Vista Ballroom Westend Foyer

3:45 pm to 5:30 pm

Breakout Sessions 2

[Vista Ballroom AB](#)Session 2A: **Industrial Energy Efficiency Approaches**

- Presenters: **Ethan Rogers**, American Council for an Energy-Efficient Economy
Great Examples of Industrial Energy Efficiency
- Sandy Glatt**, U.S. Department of Energy
Industrial Energy Efficiency Roadmap (IEE Roadmap) - A Guide to Effective Programs for Industrial Customers
- Frank Gundal**, NSTAR
Partnering with Large Customers to Meet Aggressive Savings Targets
- Moderator: **Rick Marsh**, Industrial Energy Efficiency Network

[Vista Ballroom CD](#)Session 2B: **Integrating Energy Efficiency and Demand Response**

- Presenters: **Matt Klosinski**, Milepost Consulting, and **Nancy Jenkins**, Southern California Edison
Silos of Excellence: Effectively Integrating the DSM Organization for Seamless Energy Efficiency and DR Program Delivery
- Christine Donovan**, Vermont Energy Investment Corporation
Energy Efficiency and the Smart Grid: Lessons Learned from Pilot Programs Designed to Impact Energy Efficiency & Conservation Behaviors
- Colleen Snee**, Johnson Controls
Energy Efficiency and the Smart Grid: Successes and Lessons Learned
- Ben Davis**, Massachusetts Department of Public Utilities
Grid Modernization in Massachusetts: The Role of Energy Efficiency
- Moderator: **William Gifford**, DNV KEMA Energy & Sustainability

[Hillsboro Ballroom 2,3](#)Session 2C: **Regulatory Mechanisms to Address Utility Economic Concerns with Energy Efficiency**

- Presenters: **Toben Galvin**, Navigant
Show Me the Money: A Review of Recent Utility Energy Efficiency Performance Incentive Designs
- Jill Steiner**, Cadmus Group
Decoupling Policy and Results: A Detailed Look at Actual State Experience
- Mike Weedall**, E Source
Energy Efficiency & The Evolving Utility Business Model
- Brian Hedman**, Cadmus
Leveling the Playing Field – Regulatory Treatment of DSM Savings and Expenditures
- Moderator: **Dan York**, American Council for an Energy-Efficient Economy

[Midtown](#)Session 2D: **Jobs and Economic Development**

- Presenters: **Federico Garcia**, ICF International
Assessing Job Creation from a Highly Leveraged Program
- Cecily McChalicher**, Northeast Energy Efficiency Partnerships
Establishing a Common Platform for Tracking Energy Efficiency's Economic Impacts in the Northeast/Mid-Atlantic Region
- Ben Edwards**, Mathis Consulting
The Price of Business-as-Usual: The Impacts of Energy Efficiency Beyond Generation Capacity
- Moderator: **Luis Salas**, DTE Energy

[Hillsboro Ballroom 1](#)Session 2E: **Southeastern Region Examples**

- Presenters: **Gary Brinkworth**, Tennessee Valley Authority
Energy Efficiency as a Resource at TVA
- Lana Lovick**, Entergy, & **Max Neubauer**, American Council for an Energy-Efficient Economy
Energy Efficiency Potential and Recent Developments in AR, LA, and MS
- Natalie Mims**, Southern Alliance for Clean Energy
The Growing EE Resource in the SE: Rankings, Successes, and New Financial Incentive Models
- Victoria Bloise**, Ecova & **Amy Sadler**, Duke Energy
Lighting the Way for Energy Efficiency in the SE: How Progress Energy found Huge Success
- Moderator: **Jenah Zweig**, Southeast Energy Efficiency Alliance

6:00 pm to 7:30 pm

Presenters: **Tom Eckman**, Northwest Power and Conservation Council
Jeff Schlegel, Schlegel and Associates
Achieving Aggressive Energy Efficiency Resource Goals: Results from the Field
Gene Rodrigues, Southern California Edison
Scott Johnstone, Vermont Energy Investment Corporation

Moderator: **Martin Kushler**, American Council for an Energy-Efficient Economy

9:45 am to 10:15 am	Break	Vista Ballroom Westend Foyer
10:15 am to 11:45 am	Breakout Sessions 4	

[Vista Ballroom AB](#)**Session 4A: Multifamily**

Presenters: **Rachael Pendleton Fredericks**, Public Service Electric and Gas
Improving the Energy Efficiency of Affordable Multifamily Housing through PSE&G's Residential Multifamily Housing Program
Kate Johnson, American Council for an Energy-Efficient Economy
Multifamily Buildings as an Essential Strategy to Meet Energy Savings Targets
John Forde, Puget Sound Energy
Multifamily Programs: How Puget Sound Energy Simplified Program Design to Maximize Results

Moderator: **Amy Bunton**, Pathway Lending

[Vista Ballroom CD](#)**Session 4B: TRC Benefit/Cost Issues**

Presenters: **Allison Spector**, Cascade Natural Gas Corporation and **Gil Peach**, H. Gil Peach and Associates
All Natural: Straightforward Ways to Acknowledge the Continued Value of Natural Gas Conservation Programs
Christina Halfpenny, Massachusetts Department of Energy Resources
The Valuation of Energy Efficiency Using Non-Energy Benefits under the Total Resource Cost Test
Jim Lazar, Regulatory Assistance Project
Full Valuation of Energy Efficiency – A "Layer Cake" of Benefits

Moderator: **Nick Hall**, TecMarket Works

[Hillsboro Ballroom 2,3](#)Session 4C: **Energy Efficiency Potential**

- Presenters: **Howard Geller**, Southwest Energy Efficiency Project
The \$20 Billion Bonanza: Best Practice Utility Energy Efficiency Programs and Their Benefits in the Southwest
- Mathias Bell**, Rocky Mountain Institute
Going Beyond 2% Savings: Investigating Opportunities for Connecticut's Comprehensive Energy Strategy
- Maggie Molina**, American Council for an Energy-Efficient Economy
A National Review of the Cost of Conserved Energy in Utility Energy Efficiency Programs
- Moderator: **Andrea Horwatt**, Southern California Edison

[Midtown](#)Session 4D: **T&D Benefits of Energy Efficiency**

- Presenters: **Walter Poor**, Vermont Public Service Dept. and **John Plunkett**, Green Energy Economics Group
Integrating Energy Efficiency Geotargeting with Resource Planning in Vermont
- Dave Canny**, Pacific Gas & Electric
The T&D Challenge: How PG&E is Using Smart Grid Technologies and New Data Analytic Tools to Defer T&D Costs
- Patricia Stanton**, Conservation Services Group
Innovative Demand Response Strategies Leverage Traditional Energy Efficiency Programs
- Moderator: **Chris Neme**, Energy Futures Group

[Hillsboro Ballroom 1](#)Session 4E: **Good Examples of Utilities Ramping Up**

- Presenters: **Vicki Campbell**, DTE Energy
An Overview of DTE Energy's Aggressive Ramp Up of Energy Efficiency
- Wayne Dobberpuhl**, Arizona Public Service
- George Malek**, Commonwealth Edison
The Ramp Up of Energy Efficiency at ComEd
- Moderator: **David Jacot**, Los Angeles Department of Water & Power

12:05 pm to 1:05 pm**Lunch****Vista Ballroom**

- Introduction: **Robert Balzar**, Tennessee Valley Authority
- Speaker: **Bill Johnson**, President and CEO of Tennessee Valley Authority

1:30 pm to 3:15 pm

Breakout Sessions 5

[Vista Ballroom AB](#)Session 5A: **Commercial Programs**

- Presenters: **Steve Nadel**, American Council for an Energy-Efficient Economy
The Next Big Things: New Opportunities for Energy Savings in the Commercial Sector
- Alexander Castro**, Lime Energy
From New York to the Southeast: EERS Paves the Way for the Next Generation of Small Business Direct Install Programs
- Josiah Adams**, Ecology Action
Deep and Cheap - Innovative Program Model Delivers Deep and Cost-Effective Energy Savings to the Small and Medium Commercial Market
- Rick Tonielli**, Commonwealth Edison
Maximizing Whole-Building Energy Savings with ComEd's Smart Ideas for Your Business Retro-Commissioning
- Moderator: **Dave Canny**, Pacific Gas & Electric

[Vista Ballroom CD](#)Session 5B: **Advocate Issues: Making the Case for Energy Efficiency in Challenging Circumstances**

- Presenters: **John Wilson**, Southern Alliance for Clean Energy
Benefits of Energy Efficiency Resources in Southeastern IRPs: Even Greater than We Expected
- James VanNostrand**, West Virginia University
Starting from Scratch: Promoting Energy Efficiency without the Foundations of IRP or an EERS
- Casey DeMoss Roberts**, Alliance for Affordable Energy
The Tail Wagging the Dog, Integrated Resource Planning in New Orleans
- Dan Bakal**, California Natural Resources Agency
Risk-Aware Electricity Regulation: Risk Mitigation Benefits of Energy Efficiency in Long Term Utility Investment
- Moderator: **Erin Carroll**, Vermont Energy Investment Corporation

[Hillsboro Ballroom 2,3](#)Session 5C: **Advanced Issues in Assessing the Resource Value of Energy Efficiency**

- Presenters: **Phil Mosenthal**, Optimal Energy
Restructuring Energy Efficiency Portfolio Standards to Avoid Perverse Incentives for Short Lived Resources
- Tim Woolf**, Synapse
Using Rate, Bill and Participation Analyses to Support Efficiency Programs
- Rick Hornby**, Synapse, and **Max Neubauer**, American Council for an Energy-Efficient Economy
Demonstrating How Energy Efficiency in Ohio Saves Money for All Ratepayers
- Steve Schiller**, Lawrence Berkeley National Laboratory
4,000 (Program) Years of Efficiency: Results of a Program Level Analysis of the Cost of Saved Energy
- Moderator: **George Edgar**, WECC

[Midtown](#)Session 5D: **Unlocking the Potential of Behavior Programs**

- Presenters: **Anne Dougherty**, Illume Advising, LLC
The Promise and Reality of Behavior Programs: Are They a Reliable Resource?
- Gerardo Galdamez**, Entergy Arkansas, Inc.
Lessons Learned and Evaluated Impacts from an Innovative Residential Rewards Program Targeted at Low and Moderate Income Customers
- Ali Bozorgi**, ICF International
Easing the Squeeze in DSM Portfolio Planning: A Quantitative Analysis of Potential Impacts of Feedback/Behavior-Based Programs
- Jim Kapsis**, Opower
Long-Term Treatment of Behavioral Energy Efficiency in EERS
- Moderator: **Elizabeth Stuart**, Lawrence Berkeley National Laboratory

[Hillsboro Ballroom 1](#)Session 5E: **Energy Efficiency Programs in Public Power**

- Presenters: **Dan Ridings**, Conservation Services Group and **Frank Rapley**, Tennessee Valley Authority
From 0 to 50,000 in 4 Years
- John-Michael Cross**, Environmental and Energy Study Institute & **Lindsey Smith**, The Electric Cooperatives of South Carolina
On-Bill Financing can become a Replicable Solution for Rural Electric Cooperatives
- Ed Jerome**, Enernoc
Making Energy Efficiency Mainstream in Mississippi
- David Byrne**, City of Tallahassee, Florida
Energy Smart PLUS (e+): A Comprehensive Approach to Energy Efficiency & Conservation
- Moderator: **Steve Starks**, Los Angeles Department of Water & Power

3:15 pm to 3:30 pm

Break

[Vista Ballroom Westend](#)

3:30 pm to 5:00 pm

Breakout Sessions 6

[Vista Ballroom AB](#)Session 6A: **Building the Business Case for Utility Financing Programs**

- Presenters: **Geoff Phillips**, Northeast Utilities
Distributed Lending as a Model for Energy Efficiency Financing
- Cisco DeVries**, Renewable Funding
WHEEL: Scale, Leverage, and Uniformity for Utility Financing Programs
- Monica Curtis**, WECC
- Moderator: **Casey Bell**, American Council for an Energy-Efficient Economy

[Vista Ballroom CD](#)Session 6B: **Resources and Opportunities for Utility Low-Income Programs: Standing in the Wake of the Recovery Act**

- Panelists: **Chad Miller**, Consumers Energy
- Cara Dolly**, Ameren Missouri
- Jerry Oppenheim**, Low Income Advocate and Counsel to Massachusetts Weatherization Providers
- Moderators: **Jamie Drakos and Bonnie Watson**, Cadmus

[Hillsboro Ballroom 2,3](#)

Session 6C: **Examining the Industrial “Self-Direct” Issue**

Presenters: **Mike Ambrosio**, Applied Energy Group, Inc.
John Seryak, representing Ohio Manufacturers Association

Moderator: **Neal Elliott**, American Council for an Energy-Efficient Economy

[Midtown](#)

Session 6D: **Big Data**

Presenters: **Steven Meyers**, EnerPath
Using ‘Big Data’ to Achieve both Broad and Deep Savings in Hard-to-Reach Customer Segments
James Bradford, Mesa Point Energy
Pros and Cons of the Use of Technical Reference Manuals for DSM Program Performance Measurement
Dan Teague, WegoWise
Tracking & Benchmarking for Maximum Savings: Using New Data Tools in a Massachusetts Utility Efficiency Program

Moderator: **Sharyn Barata**, Itron

[Hillsboro Ballroom 1](#)

Session 6E: **Natural Gas Programs**

Presenters: **Elliott Gold**, Philadelphia Gas Works
EnergySense: PGW’s Experience Acquiring Cost-Effective Natural Gas Energy Efficiency Resources
Scott Stroup, Airometrix Manufacturing, Inc.
Innovative Approach to Driving Projects to Utility Gas Programs
Sheri Borrelli, The United Illuminating Company
Working Together: Electric and Gas Utilities Partner for Efficiency

Moderator: **Todd Berreman**, CenterPoint Energy
