National Conference on Energy
Efficiency as a Resource**

September 22, 2015

➤ **Ouachita Electric Cooperative Corporation**

➤ **Founded in 1939**

➤ **Owned by those we serve**

➤ **7,000 members; 1,850 miles of line**

➤ **Serving Bradley, Calhoun, Dallas, Nevada and Ouachita counties in South Arkansas**

➤ **38 employees; offices in Camden and Hampton**

➤ **Locally and democratically controlled**

Home Energy Loan Program

This plan is designed to remove the cost barrier of residential energy efficiency measures to members of Ouachita Electric

Savings from energy efficiency will make the payments

The program is designed so that all participants will have a net cash gain on a monthly basis.

**A loan loss reserve fund provided by the Arkansas Energy Office
Provides security against loan defaults**

All audits performed by certified auditors

100% Verification of every home with pre and post testing by OECC personnel and smart meter data collected hourly

Ouachita Electric Cooperative Corporation Help Program

- **Started 4th Quarter 2013**
- **263 Residential Participants through 8-1-2015**
- **14 School Buildings in 2 School Districts**
- **10 County Buildings**

GEORGETOWN UNIVERSITY
ENERGY PRIZE

LEADING THE WAY IN ENERGY EFFICIENCY

Communities Competing in the Semifinal Round of the Georgetown University Energy Prize

How do we improve ?

Include High Efficient HVAC

**With an Opt in Tariff
That will provide greater
security for larger
investments**

Tariff will allow expansion of the program to include rental property and provide greater participation from low income families and individuals
