

PANEL 14 POSTER SCHEDULE

(FINAL)

PANEL 14 - POSTER PRESENTATIONS - THURSDAY		
Title	Poster Presenter	Organization
Saving the Most Carbon: Removing Impediments to System-wide Emissions Reductions from Energy Efficiency Objectives	Susanna Hanson	Trane
Towards the End of the Lighting Tunnel: The End-uses that Matter	Charles Ampong	Navigant
Large-scale Daylighting Analysis for Buildings, Products, and Policy	Robert Gugliemetti	NREL
Smart Meter Data: Finding The Buried Treasure Within	Safdar Chaudhry	Richard Heath Associates
Ensuring Beneficial Electrification - A Case for Water Heating	David Farnsworth	Regulatory Assistance Project
Coupling Building Energy Models to Transportation and Real Estate Development Models	Ralph Muehleisen	Argonne National Laboratory
The Voices of Housing and Energy Policy	Marissa Ramirez	NRDC
Putting People Back into the Equation: Impacts of Cultural and Demographic Factors on Multifamily Energy Use Patterns	Stephanie Berkland	TRC Companies Inc.
Leveraging Community Engagement for Maximum Energy Efficiency Impact	Lauren Casentini	Resource Innovations
Residential End Use Verification Using Submetering	William McNary	U.S. Energy Information Administration
Two Building's Research Engineers Experiences with Creating Their Own Zero Energy Houses	Paul Torcellini	National Renewable Energy Lab.
Why German policies fail to make energy efficiency investment more enticing for small private landlords?	Steven Maerz	Wuppertal Institute for Climate Environment Energy
A Value-able Menu of Benchmarking Methods for Quick Service Restaurants	Eric Boxer	Go Sustainable Energy
Driving energy usage reductions through data	Jeremy Nagel	Cozero Pty. Ltd.
Every Day a Little Up: Using Six Sigma Principles in Evaluation	Cherish Smith	Navigant Research
Long Term Performance of a Net Zero Energy House – Challenges of Year-to-Year Variations in Defining NZE Home	Anil Parekh	Natural Resources Canada
Radiant Solutions: Energy Findings from the Largest Study of Commercial Buildings with Radiant Cooling and Heating Systems	Cathy Higgins	New Buildings Institute
Energy Reporting	Bruce Nordman	Lawrence Berkeley National Laboratory
Energy Efficiency Policy and Evaluation From Across the Ponds	Elizabeth Titus	Northeast Energy Efficiency Partnerships
Energy Efficiency Savings Up in Smoke: The budding impact of indoor agriculture and cannabis production	Alexi Miller	New Buildings Institute
Programs Designed for the Optimal Customer Experience: Growing Participation and Shrinking Barriers	Madeline Koewler	CSRA

PANEL 14 POSTER SCHEDULE

(FINAL)

PANEL 14 - POSTER PRESENTATIONS - THURSDAY		
Title	Poster Presenter	Organization
Coloring Outside the Lines: A New Approach to Comparing Net Savings Techniques	Katherine Johnson	Johnson Consulting Group
Underutilized Assets: Improving Productivity in the World's Office Environments	Alex Herceg	Lux Research Inc.
Using 50001 Ready to Develop a Strategic Energy Management Program	Alice Napoleon	Synapse Energy Economics Inc.
Cooling Strategies for Buildings of Today to Meet Energy Demands of the Future	Tyler Felice-Jennings	State University of New York
Break it down now y'all: Using high resolution end use load metering to identify peak savings opportunities in the Northeast	Ryan Powanda	Navigant
Institutionalizing Energy Data Management in the Public Sector	Adam Guzzo	U.S. Department of Energy
National Certification for High Performance Building Operations Professionals	Larry Chang	BEST Center
Visualizations of Impacts from SDG&E's Peak Time Rebate and Smart Thermostat Programs	George Jiang	Itron, Inc.
XeroHome - Your Path to a Net Zero Energy Home	Mudit Saxena	Vistar Energy Consulting
what can the ENERGYSTAR database reveal about easy and impactful energy efficiency?	Flore Marion	Carnegie Mellon University
An Energy Efficiency Savings Tool (EEST) to Support State and Local Electricity and Air Quality Planning	Niko Dietsch	U.S. Environmental Protection Agency
An Approach to Model Achievable Potential of Demand Response Programs in DSM Potential Studies and IRPs- Case Studies and Lessons Learned	Alireza Bozorgi	ICF International, Inc.
