

PORTLAND

Rank #8 TOTAL SCORE: 66.5

CITY STATS

- Point Change from 2013 Scorecard: -3.5
- City pop.: 609,106
- Metro pop.: 2,289,800
- Utilities: PGE (elec), NW Natural (gas)

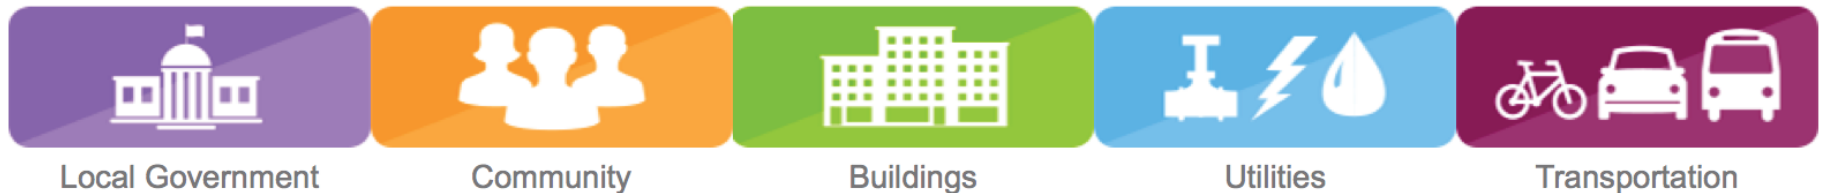

BEST PRACTICES

- Strong transportation policies: Policies in place to encourage compact development, reduce vehicle trips, and improve zoning and land use planning.
- High levels of investment in, and savings from, electric and natural-gas utility efficiency programs.
- Established policies and programs to save energy in public-sector buildings and vehicles.

AREAS FOR IMPROVEMENT

- Implement new building benchmarking and transparency policy.
- Expand the use of combined heat and power.
