

Erin Robert
Head of Capital Strategies, JPMorgan Sustainable Finance

Erin Robert is Head of Capital Strategies at JPMorgan Sustainable Finance. She leads the firm's client engagement efforts in the sustainability space and partners across business lines to enhance sustainability and ESG-themed product offering.

Erin previously spent 10 years in J.P. Morgan's Corporate and Investment Bank in various roles across Markets and Investment Banking. She began her career in Public Finance, where she structured debt financings for municipal utilities, and most recently headed the Commodities Structuring team for the Americas, deploying capital to corporate clients through asset-based financings.

She is a board member of Part of the Solution, a Bronx, New York based organization that helps move low-income individuals and families from crisis to stability and, ultimately, self-sufficiency.

Erin holds a Bachelor of Arts from College of the Holy Cross in Worcester, MA.
