Green Bank Evolution: Developments in the Model and Opportunities to Collaborate

2018 ACEEE Finance Forum

May 22, 2018

Lineup of Green Bank leaders from across the U.S.

- Gwen Yamamoto Lau – Executive Director, Hawaii Green Infrastructure Authority
- Tom Deyo – CEO, Montgomery County (MD) Green Bank
- Paul Scharfenberger – COO, Colorado Energy Office
 - Jeff Schub, Executive Director, Coalition for Green Capital (*Moderator*)

Evolution of Green Bank model opens up new pathways to clean energy investment

Themes for the Day:

- In pursuit of volume - essential to adapt to local conditions and barriers, do what works, learn from what doesn't
- The historical model – public, state-based entities formed, funded and operated by government – is changing
- New capital and partnership opportunities lower barriers to Green Bank formation and activity
